EXPO GUADALAJARA

Sixth edition

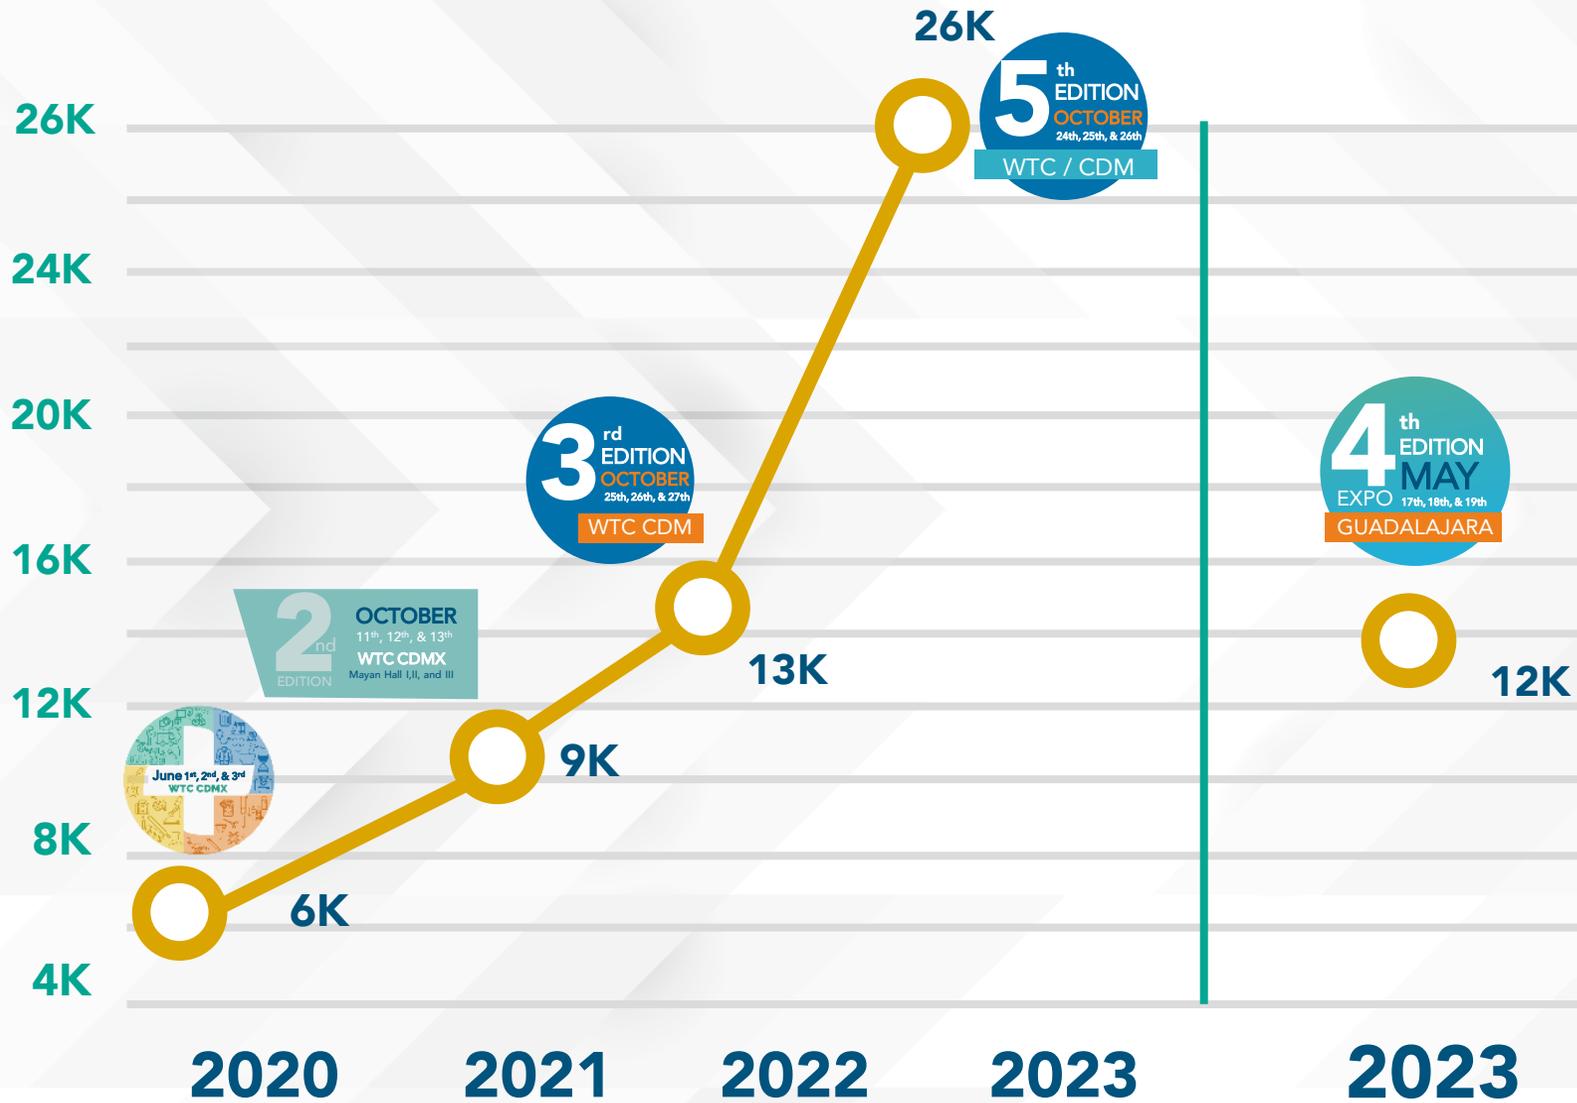

WHAT IS MEDICAL EXPO?

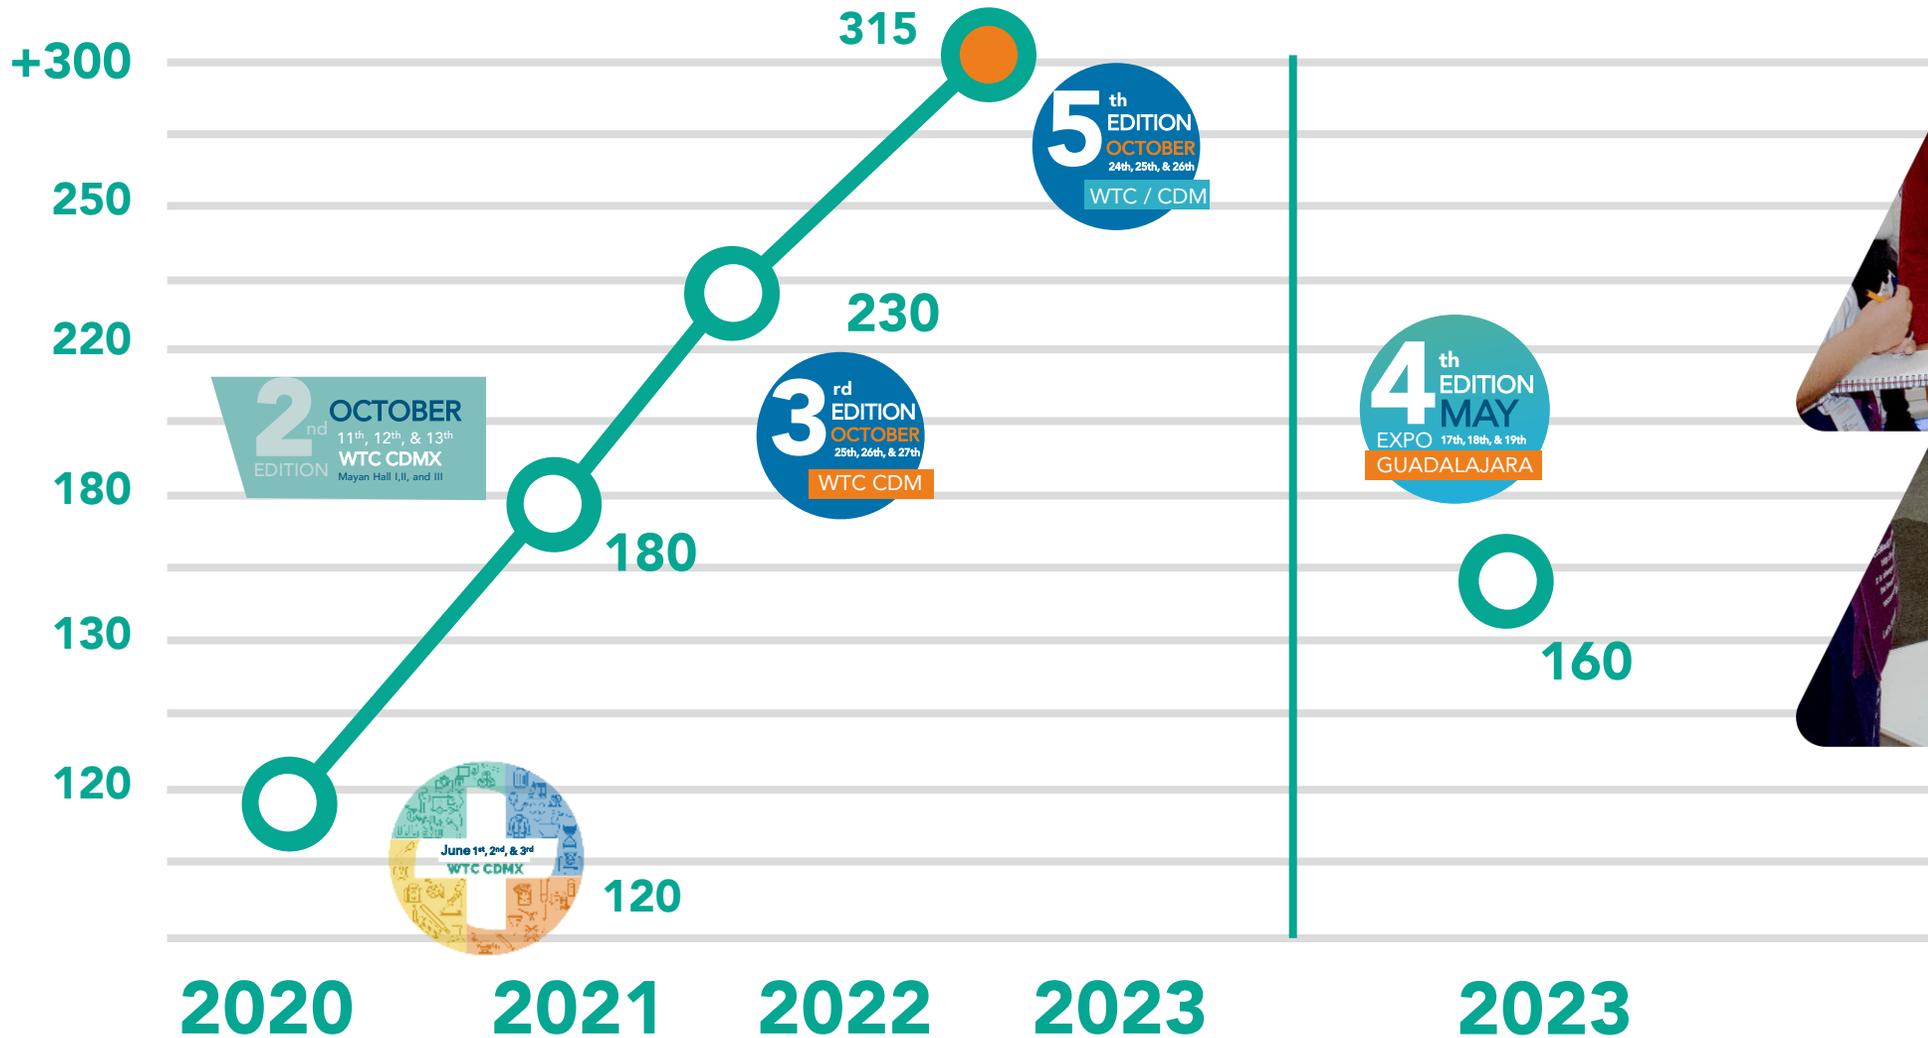

Medical Expo was born in 2020 as the fair that brings together the most important companies in the healthcare industry. In addition to being the platform that drives the development of commercial relations between those who are part of this sector.

VIRTUAL MEDICAL EXPO

We record a video of our exhibitors in which they tell us about their company, and later it is uploaded to our social media networks and website.

LECTURES AND WORKSHOPS

Medical Expo features an exclusive program of lectures, delivered by prominent experts in the healthcare industry.

HEALTH SECTOR WEBINARS:

Consult prices with a sales executive.

These webinars aim to address the most relevant issues that impact the health sector and thus contribute to the strengthening of the industry.

WEBINARIO DE DISPOSITIVOS MÉDICOS

Invitado: MVZ. Juan Vidrio Borrego
Experto en la limpieza y esterilización con vapor seco.
